ARIZONA DIAMONDBACKS

EXECUTIVES

E.G. (KEN) KENDRICK

Managing General Partner

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick's involvement in the general partnership took on added significance in 2004 when he assumed the role of Managing General Partner of the Arizona Diamondbacks. Kendrick has taken an active role in the day-to-day operation of the D-backs and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

During his tenure as the Managing General Partner, the D-backs have twice captured the National League West Division, including last season's 29-game turnaround. In 2007, the Diamondbacks reached the National League Championship Series for the second time in the franchise's existence and first time since 2001.

After receiving a B.S. in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM in Baltimore. Three years later, he founded Datatel, Inc., which has become the industry leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations.

As Datatel continued to grow and prosper in the 1980s, Kendrick stepped down from the daily oversight of the company to explore new business opportunities. He served as President of a Texas-based financial services technology company for four years in the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which now is one of the nation's largest employee-owned banks. Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona.

He is very active in many other philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Foundation. The D-backs organization, combined with its Foundation, will surpass the \$30 million mark this year in combined charitable giving since their inception. He and his wife, Randy, were the 2007 Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also serves on boards for various charities including the Phoenix Art Museum, The Buddy Program, Childhelp USA, Helping Hands Housing, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

The organization's charitable efforts were on display last summer when more than \$4 million was generated and donated to local charities during All-Star Week. Kendrick played an integral role in bringing the Midsummer Classic to Chase Field for the first time ever, resulting in a local economic impact of an estimated \$67 million.

An avid baseball card collector his entire life, Kendrick revealed in 2010 that he purchased the famed 1909 T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 24 other iconic and rare baseball cards in Kendrick's collection, titled "The Ultimate Set," are currently on temporary loan and displayed at the National Baseball Hall of Fame in Cooperstown, N.Y.

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University in Morgantown and sits on the Board of Directors for the WVU Foundation. He and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In November 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005.

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along four dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate education, and community outreach. The Freedom Center also endows the Kendrick Chair in Philosophy and Economics.

Kendrick and his wife, Randy, and their two children, Cal and Catie, make their home in Paradise Valley.

MIKE CHIPMAN

General Partner

Mike Chipman is one of the three general partners who possess the largest financial stake in the franchise, and while he takes a low-profile approach to his role, his business acumen is invaluable when the partners assemble to make executive decisions regarding the shaping of the D-backs.

A graduate from the U.S. Air Force Academy with a degree in Computer Science, Chipman spent five years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he became an investor and founder of Chipsoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of Chipsoft until 1990 and Vice Chairman until 1993, when Chipsoft and TurboTax® were sold to Intuit, Inc. Chipsoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired at age 45.

Since retirement, Chipman has invested in various businesses principally through an Investment Angels group. Chipman has had a hand in the development of the highly successful Bank of Internet USA and has been involved as an investor with other banks in Northern Nevada. He has been an owner of commercial real estate in Arizona for more than a decade during which time he became one of the primary investors in the D-backs.

In 2008, Chipman ventured on a dream of his to complete the 2,650-mile Pacific Crest Trail hike on foot from near the Mexican border in California into British Columbia in Canada. The trek took him more than five months to complete the majority of the trail from April through September. He finished the remainder in 2010.

Chipman and his wife, Evy, make their home in Lake Tahoe, Nev., where he has built a model railroad, complete with nearly 1,700 trees, a project that has kept him busier than he even imagined. The Chipmans spend a lot of "baseball time" locally in Paradise Valley after having wintered in Carefree for 10 years.

JEFF ROYER

General Partner

Jeff Royer is a General Partner of the Team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting left-handed pitcher of the Milwaukee Braves.

Royer is a private investor with interests in telecommunications, cable television, hospitality and manufacturing.

Jeff, his wife, and family are all devotees of the game and spend as much time in Phoenix as possible. He makes his residence in Toronto, Ontario, Canada.

DERRICK HALL

President & CEO

Considered by many to be among the future leaders of the game, Arizona Diamondbacks President & CEO Derrick Hall has turned the D-backs into a model franchise within the sports industry and throughout the business world during his six years at the helm of the club. Hall focuses the organization's efforts in five areas he has called the "Circle of Success" – fan experience, performance, community, culture and financial efficiency – each of which has seen tremendous success during his tenure.

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS solar shade structure in the plaza area, new HD scoreboard in center field, the St. Joseph's Hospital and Medical Center's Sandlot on the upper level, the Miller Lite Diamond Club, All-You-Can-Eat Seats on the Insight Diamond level and value-item pricing at concession stands and Team Shop locations throughout the ballpark. Hall also installed, named and created a FAWTSY (Find A Way To Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience, while the team continues to offer the lowest average ticket prices in Major League Baseball.

Hall's leadership helped guide the 2011 D-backs to the National League West Division Championship while setting the team up for future success on the field. Following a 97-loss season in 2010, Hall hired Kevin Towers as the club's general manager and along with Towers, tabbed Kirk Gibson as the manager. The results were immediate, with the team posting a 29-game turnaround and a 94-win season, the third-highest total in franchise history. Gibson would go on to win National League Manager of the Year honors while Towers finished third in Executive of the Year voting.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. This season, the Arizona Diamondbacks Foundation and the D-backs organization will surpass the \$30 million mark in charitable giving since their inception in 1998, including more than \$4 million in 2011 and \$16 million in the past six years under Hall's direction. He established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, resulting in a total of 81 families being given full season tickets worth a combined total value of more than \$532,000 since 2008.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! to recently deem the club as "the best workplace in sports." Hall created a President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize numerous company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the Phoenix Business Journal and BestCompaniesAZ for five consecutive years from 2007-11, as well as by PHOENIX magazine in 2008.

The success of the franchise both on and off the field during Hall's tenure has led to numerous awards and honors. Most recently, the team was named "Organization of the Year" by the Downtown Phoenix Partnership and the Arizona Business Leadership Award from the . This past season, the franchise was named a "Most Admired Company" by AZBusiness Magazine and they were awarded the top leadership of all Arizona companies. In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world and is viewed as a 21st century peace prize. The award honors and recognizes organizations positively impacting their communities through corporate responsibility.

In 2011, Hall's vision to further establish the organization as a sports industry leader while spurring economic development and impact throughout the Valley came to fruition, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than \$67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and downtown Phoenix to be showcased in more than 100 million homes across the world, while worked diligently with city leaders, politicians and officials to ensure that fans had the finest All-Star Game experience.

The unveiling of Salt River Fields at Talking Stick, the D-backs 140-acre Spring Training facility shared with the Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz., has greatly added to the already \$350 million of economic impact for the Valley associated with Spring Training each year. The team set a franchise record for Spring

Hall is joined by closer J.J. Putz during one of the team's monthly employee meetings dubbed "On the Couch with D-Hall."

Training attendance while the two teams set an all-time Major League record for combined attendance at a single Spring Training facility. Salt River Fields was the first professional sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors attending games at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall also routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He conducts monthly chats on the Internet and is among just a handful of club presidents on Twitter (@DhallDbacks), where he interacts regularly with fans. Hall spends most of his time at home games communicating with the fans in the stands to ensure their fan experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between two professional sports organizations. The project has transformed the look of downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and Phoenix residents to enjoy their experience downtown.

Hall currently serves on 27 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, Greater Phoenix Chamber of Commerce, Greater Phoenix Convention & Visitors Bureau, Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, US Airways Education Foundation, St. Vincent de Paul and Florence Crittendon. Hall, who is the current Chairman of the Board for the Valley of the Sun United Way, raised \$47 million throughout the Phoenix area as the non-profit organization's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Juvenile Diabetes Research Foundation (JDRF), Southwest Autism Research & Resource Center (SARRC) and the Foundation for Blind Children.

Hall, who serves on MLB's diversity committee, now gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He recently spoke to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium in Colorado Springs. He donates all speaking engagement fees back to the Arizona Diamondbacks Foundation and other non-profit organizations he supports.

A native of Los Angeles, Hall originally joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in September 2006 and adding the title of CEO in January 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for KB Home, a Fortune 500 company based in Los Angeles, where he increased the brand awareness of the nation's fifth-largest homebuilder. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla., in 1992 and departing as the club's Senior Vice President, Communications in 2004. In between, he served key roles during three ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts in 2003.

Hall stepped outside of baseball for employment during the 1999 season, first as a member of the media as a host for a three-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and as host of the "Dodger Game Day" pre-game radio show when the team played at Dodger Stadium. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV (Ch. 4) in Los Angeles.

Hall received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism and a master's degree from Ohio University in sports administration. In 2002, he was inducted into the ASU Walter Cronkite School of Journalism and Mass Communications Alumni Hall of Fame and was awarded the ASU Young Alumni Achievement Award in 2003. In 2006, Ohio University's Sports Administration Program awarded Hall as the 25th recipient of the Charles R. Higgins Distinguished Alumnus Award. Hall was the keynote speaker for ASU's Cronkite school convocation in December 2008, becoming the first Cronkite alum to deliver a commencement speech at the school's graduation.

In 2007, Hall was named to the Phoenix Business Journal's "Forty Under 40" class, was the recipient of the "Community Lifeline Award" from Teen Lifeline and was named the Phoenix Father's Day Council "Father of the Year" to benefit the American Diabetes Association. The SportsBusiness Journal added him to its prestigious "Forty Under 40" class in 2008. The Phoenix Business Journal also named Hall to its inaugural list of "Most Admired CEOs" in 2009. Hall is also a member of the ASU W.P. Carey School of Business "Dean's Council of 100," Young Presidents' Organization and the Thunderbirds.

He faced his greatest personal challenge last season, when he was diagnosed with prostate cancer in September, just as the team was battling for a division title. Hall immediately went public with the diagnosis in order to encourage other men to get tested after age 40. Following successful surgery to remove his prostate, Hall is now cancer free and has become a tireless advocate of cancer-fighting charities while continuing to speak publicly about the health challenge he faces.

Hall and his wife, Amy, reside in Paradise Valley with their children Logan, Hayden and Kylie.

Hall created the Circle of Success upon being named President.

Maxey oversees all revenue-generating departments throughout the organization, including Broadcasting, Communications, Community Affairs, Corporate Partnerships, Fan Services, Game Operations/Multimedia Production, Marketing, Spring Training and Ticket Sales & Service.

The Phoenix native was the first executive D-backs' President & CEO Derrick Hall hired from outside of the organization after being named president prior to the conclusion of the 2006 season. Since joining the D-backs as Vice President, Corporate Partnerships, Maxey has stimulated revenue generation throughout the organization by enacting a pro-active sales and service approach unique to Major League Baseball. Under his leadership, the philosophy of decreasing marketing clutter and developing rewarding relationships has resulted in a 45 percent increase in revenue while decreasing the organization's total number of corporate partners by 25 percent.

Entering the 2011 season, the D-backs launched the Most Valuable Partner awards program. This first-of-its-kind concept was created by Maxey to create a more effective way to teach marketing practices year round in a captivating way that motivates partners to participate. In January, the D-backs hosted the inaugural Most Valuable Partner Awards Dinner & Show, which showcases the winners of each category in an academy awards type production. The event, which garnered local and national attention, is one of several ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever. He has also played an integral role in the creation and execution of the multi-million dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has begun to revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities which run 18 hours a day, 365 days a year, the project will develop new revenue for both teams while helping promote ticket sales and deliver team messages to more than eight million annual visitors and 700 diverse events each year.

Following the 2010 season, the organization saw an increase in new season-ticket revenue despite a difficult season on-field, as Maxey led the development of a season-ticket holder advisory board to gain a better perspective from the team's most valued customers. The strategy has continued to pay off, as the team has also seen season ticket revenues improve significantly after winning the 2011 National League West Division title.

Maxey leads the creation and ongoing execution of the business plan for Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land shared with the Colorado Rockies. In its first season of existence in 2011, the D-backs led all of baseball in spring attendance, selling out more than two-thirds of their games while the facility received numerous awards and accolades.

Prior to joining the D-backs, Maxey spent two years as the General Manager of Sun Devil Sports Marketing for CBS Collegiate Sports Properties, the multi-media rights holder of Arizona State University Athletics. At ASU, Maxey managed all business operations, multi-media rights and sales while ASU Athletics saw unprecedented sponsorship revenue growth during his tenure.

Maxey is a member of the Thunderbirds and serves on the board for the Boys & Girls Club of Metropolitan Phoenix. He and his wife, Brenda, have two children, Will and Lizzie, and reside in Chandler.

KEVIN TOWERS

Executive Vice President & General Manager

Kevin Towers, one of baseball's most respected general managers, enters his second full season with the Arizona Diamondbacks in 2012 after being named Executive Vice President & GM on Sept. 22, 2010.

In his first season at the helm of the D-backs baseball operations, the team won 94 games and the National League West Division title just one season after finishing in last place with 97 losses. As a result of the 29-game turnaround, Towers finished third in *The Sporting News* Major League Baseball Executive of the Year voting.

Towers enters 2012 with 15 years of experience as a Major League general manager to join the Oakland Athletics' Billy Beane and the San Francisco Giants' Brian Sabean as the fourth longest-tenured active GM in Major League Baseball. Only the Detroit Tigers' Dave Dombrowski (23 years), Cincinnati Reds' Walt Jocketty (17 years) and Milwaukee Brewers' Doug Melvin (16 years) have more experience among MLB's current group of general managers. With 1,207 wins as a General Manager, Towers is one of eight current GMs to post at least 1,200 victories during their career.

After reshaping the D-backs roster during his first offseason en route to the NL West Division title, Towers continued to improve the team this winter with the additions of former 18-game winner Trevor Cahill and Craig Breslow in a trade from the Oakland Athletics and former All-Star closer Takashi Saito and veteran outfielder Jason Kubel as free agents. He also focused on re-signing several key members of the 2011 team, including left-hander Joe Saunders and infielders Aaron Hill, Willie Bloomquist and John McDonald. These moves came on the heels of adding J.J. Putz, Daniel Hernandez and Joe Paterson to the bullpen in his first offseason as the D-backs GM.

Towers joined the D-backs following one season as a special assignment scout for the New York Yankees in 2010. Prior to holding that position, he served as GM of the San Diego Padres from 1996-2009. During that period, the Padres reached unprecedented heights under his leadership, including winning four of the franchise's five National League West championships in 1996, 1998, 2005 and 2006 and advancing to the World Series in 1998 against the Yankees. San Diego's 2007 club fell one game shy of advancing to the postseason for a third straight year after losing a tie-breaker game to the Colorado Rockies for the league wild-card berth. The Padres had the fourth-most wins (346) in the National League from 2004-07 after Towers constructed an organizational-best 23-game turnaround from 2003 to 2004 to set the Padres' successful run of four consecutive winning seasons during the team's first four years in PETCO Park.

The Medford, Ore. native first joined the Padres when he was selected in the first round of the 1982 First-Year Player Draft after earning All-Western Athletic Conference honors as a right-handed pitcher for Brigham Young University. Towers was a Texas League All-Star in 1984 and pitched seven seasons in San Diego's farm system before a series of arm operations ended his playing career at Triple-A Las Vegas in 1988.

Towers began his post-playing career as an area scout for the Padres in Texas and Louisiana from 1989-91. During the summers of 1989 and 1990, he also served as pitching coach for the organization's short-season Single-A affiliate in Spokane, Wash., with the club winning Northwest League championships in both seasons. After two years with the Pittsburgh Pirates as a regional and national crosschecker, Towers returned to the Padres as Director of Scouting in August 1993, a position he held until being named General Manager on Nov. 17, 1995.

Towers and his wife, Kelley, have three bulldogs, Fiona, Sputnik and Arlow. He was inducted into the Medford Sports Hall of Fame in April 2007.

He also spent four seasons (1997-98, 2000-01) in the Pittsburgh Pirates' ticket office and two seasons (1998-2000) with the NHL's Tampa Bay Lightning in group sales.

An advocate of innovation in order to improve efficiencies and deliver resources that improve the on-field product, Bradley has among other things: implemented a strategic planning process that improved organizational effectiveness; created a player injury/workers compensation management system that has saved the organization millions of dollars in insurance premiums and rehabilitation costs; and implemented a timely, efficient, and secure mechanism of delivering funds to mobile players and staff across the country. BOB GEBHARD

Vice President & Special Assistant to the General Manager

Bob Gebhard enters his eighth season with the Arizona Diamondbacks in 2012 as Vice President & Special Assistant to the General Manager. Serving an integral role within the D-backs baseball operations, Gebhard has offered input from his vast experience in the game. He served as the Baseball Operations Department's point person with HKS Architects, Mortenson Construction and the Salt River Pima-Maricopa Indian Community during the construction of Salt River Fields at Talking Stick, the award-winning two-team facility the D-backs and Colorado Rockies share in the Northeast Valley.

In 2011, Gebhard was named the recipient of the Sheldon "Chief" Bender Award, as announced by Minor League Baseball. The award recognizes an individual with distinguished service who has been instrumental in player development, has established good relationships with their organization's affiliates and is well respected in the baseball community.

Gebhard joined the D-backs prior to the 2005 season after a five-year stint in a similar role with the St. Louis Cardinals from 2000-04 under then-General Manager Walt Jocketty, who he assisted in the club's day-to-day Major League operations including player evaluation and contract negotiations.

None of those roles were new to Gebhard, who was on the ground floor of the Rockies' franchise, joining the club during the winter in 1991 and building the entire baseball operations department from scratch. His efforts were rewarded with the Rockies' first playoff appearance only three years into their existence in 1995, winning the National League's first-ever Wild Card spot on the final day of the season. His early successes in Colorado included the signing of veteran Andrea Galaraga to a free-agent contract the day before the 1992 Expansion Draft, then engineering a trade for slugging outfielder Dante Bichette immediately following the draft, with the twosome eventually comprising half of the famed Blake Street Bombers. Gebhard and his staff were so thoroughly prepared for the Expansion Draft that six members of the 1995 Division Series playoff squad still remained when the Rockies played the Atlanta Braves.

Gebhard joined the Rockies after a successful stint the Minnesota Twins' front office, joining the team as the Director of Major League Personnel in 1987, then assuming the role of Vice President of Player Personnel the following year. His first and last years with Minnesota culminated in a pair of World Series rings, as the Twins knocked off the Cardinals in 1987 and Braves in 1991.

Gebhard had an 11-year playing career as a pitcher that included big league duty with both the Twins and Montreal Expos. He was a player/coach in the Montreal organization from 1974-75, then was promoted to Minor League Field Director and pitching coach in 1976, a role he held for six seasons. Gebhard was part of Montreal's Major League coaching staff in 1982, then served as Director of Minor League Operations through 1986. He then joined the Twins, the organization that selected him in the 15th round of the first June draft in 1965.

A native of Lambertson, Minn., Gebhard earned 16 letters in four sports in high school. His athletic career then shifted to the University of Iowa, where he co-captained the baseball team and also played basketball.

Gebhard and his wife, Nancy, who still reside in Centennial, Colo., have three children, daughters Angie and Jenny, and son, Casey. They also have seven grandchildren.

SCOTT GEYER

Vice President, Broadcasting

Scott Geyer enters his 18th year with the Arizona Diamondbacks in 2011, including his 11th season as the organization's Vice President, Broadcasting.

In his current role with the D-backs, Geyer oversees the Broadcasting and Game Operations Departments while also keeping the club's broadcasters up to date about the organization. During the past two years, Geyer and his staff have played a key role in two significant projects that each launched in 2011 -- the construction of the D-backs' new Spring Training Facility at Salt River Fields that opened in February and the 2011 MLB All-Star Week hosted at Chase Field in July. He played an integral role prior to the start of the 2008 season in the installation of the new Daktronics HD video scoreboard, a \$14 million project that also included the build-out of video production rooms to service the new board, and the technology behind the digital media network throughout the ballpark's concourses. The D-backs' 136-foot wide by 46-foot tall video board in centerfield is one of the world's largest high definition video screens and, along with other updates with video technologies throughout the ballpark under Geyer's direction, enhances the fan experience at Chase Field.

Geyer, who has 28 years of experience in sports television, served as the director for each of D-backs' self-produced game telecasts on KTVK-TV (Ch. 3) and on Fox Sports Arizona for the organization's first 10 years. He joined the D-backs in 1995 to prepare the organization for its live television productions and to provide design insight into the construction of Chase Field from the media point of view. Prior to his move to baseball, he spent 10 years as a producer and director for the Phoenix Suns television package, while also managing the production and post-production division of US Airways Center since it opened in 1992.

Geyer is a native of the San Francisco bay area and graduated from San Diego State University with a degree in broadcast journalism, prior to making Phoenix his home in 1980. He and his wife, Lisa, have two sons, Adam and Travis.

LUIS GONZALEZ

Special Assistant to the President & CEO

One of the most popular figures in Arizona Diamondbacks' history because of the way he interacted with fans and his game-winning single in Game 7 of the 2001 World Series to give the organization its first World Championship, Luis Gonzalez enters his third full season as a Special Assistant to the President & CEO with the D-backs in 2010. Gonzalez rejoined the organization in August 2009 after officially retiring as a player following his 19-year Major League career.

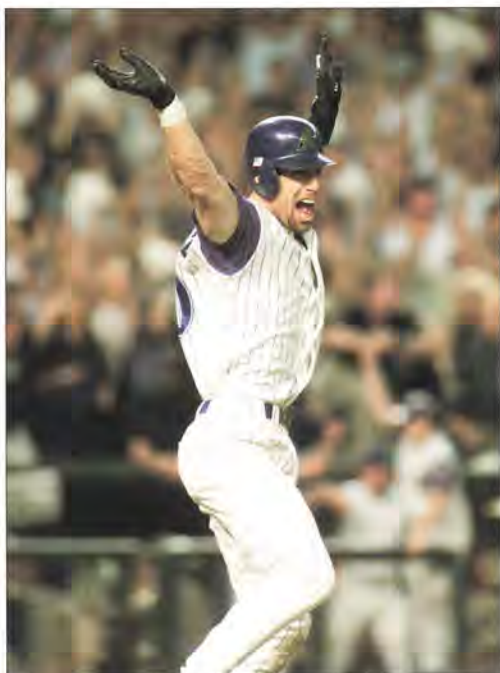

In his role, Gonzalez assists D-backs' President & CEO Derrick Hall and other departments throughout the baseball and business side of the organization. He also continues to make an impact in the community with the Arizona Diamondbacks Foundation, interacts with season ticket holders at special events, meets with corporate partners, fills in on the D-backs' radio and television broadcasts and spends time with minor and Major League players throughout the organization. Gonzalez also interacts with children at the team's Training Center camps and participates in the annual week-long Fantasy Camp. His Going Gonzo for Kids initiative that he started in 2010 through the Arizona Diamondbacks Foundation contributed \$100,000 in its first year to a variety of Arizona-based children's charities.

For his contributions as a player and a member in the community, Gonzalez became the first former player to have his number retired by the D-backs during a pre-game ceremony on Aug. 7, 2010. His No. 20 can now be seen in 5-foot purple numbers on the façade of the party suites in right field at Chase Field next to Jackie Robinson's No. 42, which was retired in perpetuity by Major League Baseball on April 15, 1997.

Gonzalez compiled a .283 batting average, 2,591 hits, 354 home runs and 1,439 RBI during his career with the Houston Astros, Chicago Cubs, Detroit Tigers, Los Angeles Dodgers, Florida Marlins and D-backs. His 596 career doubles rank 15th in baseball history. ROLAND HEMOND

Special Assistant to the President & CEO

One of the most respected and experienced executives in baseball, Roland Hemond was selected as the second recipient of the Buck O'Neil Lifetime Achievement Award by the National Baseball Hall of Fame and Museum's Board of Directors on Feb. 22, 2011, for his extraordinary efforts to enhance the game's positive impact on society. The award will be presented to Hemond in Cooperstown, N.Y. on July 23, 2011, as part of Hall of Fame Weekend.

Hemond is the second winner of the Buck O'Neil Award, which was established in 2007 to honor an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after eight decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

Hemond begins his fifth season during his second tour of duty with the Arizona Diamondbacks in 2011. He rejoined the D-backs midway through the 2007 season as Special Assistant to the President & CEO and immediately got to work by strengthening the D-backs' relationships throughout Major League Baseball and enhancing the organization's initiatives in Mexico. For three consecutive Spring Trainings from 2008-10, the D-backs played exhibition games at Hector Espino Stadium in Hermosillo, Sonora, Mexico against another Cactus League team.

Hemond, a three-time winner of MLB's Executive of the Year award, has 60 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and five seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game and a highly sought-after speaker. His professionalism, friendliness and willingness to contribute ideas and advice are attributes unmatched in the industry.

He was inducted into the Boston Braves Historical Association Hall of Fame in 2007, was presented with the prestigious William J. Slocum Award at the New York baseball writer's dinner in 2006 and the Honors Award from the Baseball Coaches of America. In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award.

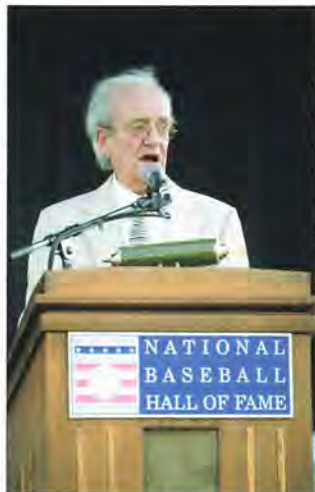

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and 1983. The 1972 White Sox went 87-67 for the organization's first winning record in five seasons. The 1983 club went 99-63 and won the American League West Division title by 20 games, which was then a record for largest winning margin. While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 32½ games from the previous season and made a 22-game improvement in the standings. During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Hemond's baseball career began in 1951 as a front office member of the Eastern League's Hartford Chiefs. He also worked with the Boston/Milwaukee Braves from 1952-60 before being hired as Scouting and Farm Director of the Los Angeles Angels in 1961. Hemond remained in that role until joining the White Sox in September 1970.

Hemond is president of the Association of Professional Ballplayers of America, a non-profit organization that helps former and current players and baseball personnel in need. Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support.

Three annual awards are named in Hemond's honor: the Roland Hemond Award, presented by the White Sox in honor of those who are dedicated to bettering the lives of others through extraordinary personal sacrifice; the Baseball America Award, presented to the person who has made major contributions to scouting and player development; and the Society of American Baseball Research (SABR) Award, given to the executive who has displayed great respect for scouts. Hemond was the inaugural recipient of both the Baseball America and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in July 2006 and was named an honorary member of Princeton University's 1954 class after speaking at a sports symposium at the university in 2009.

Hemond is a native of Central Falls, RI. He and his wife, Margo, reside in Phoenix and have five children: Susan, Tere, Robert, Jay and Ryan, and three grandchildren: Taylor, Natalie and Zane. Margo's father is John Quinn, a former Major League general manager for 28 years. DR. MICHAEL LEE

Head Team Physician

Dr. Michael Lee enters his 12th full season as the head team physician after assisting the organization with its orthopedic needs for the five years prior. In his current role, Dr. Lee oversees a support team of orthopedic specialists, primary care physicians and other advisors to provide whole-spectrum medical care to the entire D-backs organization. He and his team are busy caring for the organization year-round.

Dr. Lee is board-certified in orthopedic surgery and sports medicine, as well as an active member of the Major League Baseball Team Physicians Association. Previously, he assisted other Major League clubs with their orthopedic needs as well as serving as head team physician and orthopedic consultant to the Arizona Cardinals from 2004-2008. His private practice specializes in sports injuries and caring for professional and amateur athletes of all types, from Olympic swimmers to pro golfers.

Dr. Lee grew up in Phoenix and graduated from the University of California at San Diego. He attended the University of Arizona to complete Master's coursework in Exercise Physiology and graduated from the College of Medicine with honors in 1988. He returned to Phoenix in 1994 with his wife, Martha, and their three children, Conor, Allison and Brendan. Dr. Lee continues to volunteer his time and expertise to his alma mater, Brophy College Prep, as well as volunteering as a surgeon to medically underserved populations, most recently in El Salvador with Medical Hands for Healing in 2008.

DR. ROGER MCCOY

He is a board certified family physician with special fellowship training in sports medicine. After graduating from Miami University in Oxford, Ohio, he received his Master's degree in anatomy as well as his medical degree from Wright State University in Dayton, Ohio. While completing his family practice residency in Toledo, he served as a team physician for the University of Toledo and a couple of local high schools for three years.

Dr. McCoy was honored as the Sports Medicine Fellow at Michigan State University where he served as team physician and a faculty member teaching and developing course work at the medical school. He was most recently honored by being voted one of Phoenix's "Top Docs" of 2006, 2010 and 2011 by *PHOENIX* Magazine.

Aside from his responsibilities with the D-backs, he is also a team physician for Arizona State University, a published author in sports medicine literature and a member of the American Medical Society for Sports Medicine. Dr. McCoy continues to serve as the voluntary team physician for Mountain Pointe and Desert Vista High Schools.

ROGER RILEY

Senior Director, Team Travel & Home Clubhouse Manager

Roger Riley enters his 15th season with the D-backs and 23rd season in Major League Baseball. Riley began his D-backs career as the Director, Team Travel in the winter of 1997, then added the duties of Clubhouse Manager prior to the World Series season of 2001. As if being a member of a World Championship team wasn't enough, he capped that year by earning the 2001 Traveling Secretary of the Year award, as voted by his peers in Major League Baseball. Aside from his regular duties on the road, he assists baseball operations when the needs arise regarding player transactions and computer work.

Riley doesn't have much of an "offseason" as evidenced by his departure for the MLB clubhouse manager meetings just 72 hours after the D-backs won the World Series title in 2001. He spends the majority of the winter signing hotel and charter aircraft contracts for the upcoming year. As the season commences he arranges for ground transportation in each city and makes sure the hotel is prepared for the team's arrival with room keys in hand, regardless of the hour. Riley also handles player ticket requests both at home and on the road.

His role with the D-backs includes working on the schedule to ensure that game times both at home and on the road are within the guidelines of Major League Baseball. Riley also works on the exhibition schedule with other Cactus League clubs. He was integral in the construction of the new Spring Training facility, Salt River Fields at Talking Stick. Riley coordinates the travel plans for all players and staff members for the six-week Spring Training season, which has been simplified with the Scottsdale-based facility following 13 seasons at Tucson Electric Park in Tucson, Ariz.

Baseball was far from uncharted territory for Riley, who played college ball at the University of Kansas. It was there he began working as a statistician, and spent 19 years with a variety of network television assignments, including the Bowl Championship Series title game in the Sugar Bowl in 2000. Upon joining the Padres in 1990, Riley was the Assistant Director of Media Relations, then for two seasons worked as both the Director of Media Relations and the Travel Director. He departed from the media chair after the 1996 season and combined his travel responsibilities with Baseball Administration, working with General Manager Kevin Towers for two seasons before heading to the Valley of the Sun.

Riley and his wife, Kimberly, were married this off-season and reside in Chandler. He has three daughters, Taylor, Shannon and Ashley, and three grandsons.

BOB DOTY

Visiting Clubhouse & Equipment Manager

Bob Doty enters his 15th season with the D-backs and 35th in Major League Baseball. Doty made a tough decision to leave his native San Diego but made the move to Arizona in the winter prior to the 1998 season, assuming the same role he held in the Padres' organization for a dozen seasons. During his 20-year stint in his hometown with the Padres, he worked with General Manager Kevin Towers.

Adept in all phases of the equipment operation, Doty is also in charge of ordering and stocking equipment for the Major League and Minor League clubs. The role of the visiting clubhouse attendant is an all-encompassing position including unpacking each team when their equipment arrives at Chase Field, regardless of the time of day, while also cleaning all of the uniforms and making sure the clubhouse is properly catered for the visiting players.

Doty's knowledge was fundamental in the construction of Salt River Fields at Talking Stick after 13 spring seasons at Tucson Electric Park in Tucson, Ariz.

A graduate of University High School in San Diego, Doty has two daughters, Lauren and Sarah, and resides in Phoenix.

GRANT TRENBEATH

Head Groundskeeper

Grant Trenbeath has mastered growing and maintaining natural grass in a retractable-roof environment as he enters his 15th season as the only head groundskeeper at Chase Field, the first Major League Baseball stadium built with that combination. Trenbeath has been a pioneer in handling grass in a retractable roof venue and has served as a consultant to other retractable roof venues in MLB, sharing his expertise on how to balance maintaining an aesthetically pleasing and safe playing surface with the need for fan comfort.

Trenbeath's continued dedication to his craft has not gone unnoticed. He and Colorado Rockies' head groundskeeper Mark Razum advised and designed all playing field elements for Salt River Fields at Talking Stick. The Chase Field surface was ranked among players as the second best in the National League in a 2003 poll commissioned by *Sports Illustrated*. In 2006, he was also acknowledged for his efforts when he was selected by the Tostitos Fiesta Bowl Committee to serve as the Director of Grounds for the 36th annual Tostitos Fiesta Bowl and the first ever Tostitos BCS National Championship Game at the University of Phoenix Stadium in Glendale.

Trenbeath has worked in turf management for 21 years, spending three seasons with the Oakland Athletics' Minor League affiliate in Medford, Ore., then joining the A's as head groundskeeper for their Minor League complex and Spring Training for three seasons before joining the D-backs seven months prior to their inaugural season.

Trenbeath brings a player's perspective to turf management, having played baseball while attending Willamette University in Salem, Ore.

Trenbeath, and his wife, Trina, and daughters, Annika and Téa, make their home in Chandler, Ariz.

Regular - distance estimated by D-backs; *Italic* - distance estimated by HitTracker.

Credit Arizona Diamondbacks for home run distances from 1998-2005.

Credit HitTracker for home run distances from 2006-2009 - True Distance (a.k.a. Actual Distance) - If the home run flew uninterrupted all the way back to field level, the actual distance the ball traveled from home plate, in feet. If the ball's flight was interrupted before returning all the way down to field level (as is usually the case), the estimated distance the ball would have traveled if its flight had continued uninterrupted all the way down to field level.

D-BACKS ALL-TIME ROSTER - NUMERICAL

RETIRED NUMBERS

20

The D-backs retired Luis Gonzalez's number in a pre-game ceremony on Aug. 7, 2010. Gonzalez is the first former D-backs' player to have his number retired by the organization and his No. 20 can be found in 5-foot purple numbers on the façade of the party suites in right field at Chase Field next to Jackie Robinson's No. 42. Gonzo is the franchise's all-time leader in nearly every offensive category after an 8-year stint with the D-backs from 1999-2006, leading all D-backs' players with 1,194 games, 1,337 hits, 310 doubles, 224 home runs, 650 walks, 780 runs, 774 RBI, 4,488 at-bats, 2,373 total bases, a .529 slugging percentage and .391 on-base percentage. The 5-time All-Star with the D-backs (1999, 2001-03, 2005) is remembered for his game-winning single in the bottom of the ninth inning in Game 7 of the 2001 World Series that gave the D-backs their first World Championship.

42

Commissioner Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number. As an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day. For the 60th anniversary of Robinson's Major League debut, MLB invited players to wear No. 42 on Jackie Robinson Day in 2007. The gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number. After receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

Jackson's 149 pitches were the most all-time in a no-hitter, while his 36 batters faced tied for the most and his 8 walks-up tied for the third-most all-time. He threw more than 60 pitches in the first 3.0 innings, causing the D-backs to warm-up four relievers.

2001 WORLD SERIES - NOTEBOOK

- ♦ The D-backs entered the World Series with Craig Counsell as the only active player in possession of a World Championship ring while the Yankees were 3-time defending champs.
- ♦ Randy Johnson and Curt Schilling were the second co-MVP's in World Series history joining the Los Angeles Dodger trio of Ron Cey, Pedro Guerrero and Steve Yeager...it marked the 20th and 21st time a starting pitcher won the award, first since Florida's Livan Hernandez in 1997.
- ♦ It was the third time in World Series history that the home team won every game, joining the Twins against St. Louis in 1987, and Twins against Atlanta in 1991.
- ♦ The D-backs outscored New York 31-5 in the 4 wins, and were outscored 9-6 in the trio of 1-run losses in Bronx.
- ♦ The D-backs were the fastest expansion team to get to the Fall Classic a year quicker than Florida in 1997...other expansion clubs to make the World Series and the year they qualified - Mets (eighth year), Royals (12th year), Seattle Pilots/Milwaukee Brewers (14th year), San Diego (16th year), Toronto (16th year)...remaining expansion clubs that have not appeared in the Series include the Angels, Senators/Rangers, Colt 45's/Astros, Expos, Mariners, Rockies and Devil Rays.
- ♦ Arizona pitching held the Yankees to .183 team average (42-for-229), the lowest average ever in a 7 or 8 game World Series...previous low was .185 by St. Louis vs. Kansas City in 1985.
- ♦ Arizona's overall staff ERA of 1.94 was lowest in World Series play since Cincinnati's 1.70 mark in a 4-game sweep of Oakland in 1990 and lowest in a 7-game set since Kansas City had a 1.89 mark in '85 vs. the Cardinals.
- ♦ The D-backs were the first team in 80 years to win the first 2 games they ever played in the World Series, the fourth team overall joining the 1914 Boston Braves, 1919 Cincinnati Reds and 1921 New York Yankees.
- ♦ The walk-off finish to Game 7 was the 11th overall "sudden death" ending to a World Series, the third in a row that involved a 7-game series...the last was the 1997 finish when Craig Counsell scored the tie-breaking run in the 10th inning as Florida defeated Cleveland...the other was Minnesota's 10th inning win over the Braves in the Metrodome in 1991.
- ♦ The D-backs are the 19th team to win the series after trailing 3 games to 2...it was also the 11th time a team won Games 6 and 7 at home.
- ♦ It was the first time the Yankees were involved in a Game 7 of any postseason series since the 1964 World Series went to the limit against St. Louis.
- ♦ The D-backs snapped New York's postseason series streak at 11, handing the Bronx Bombers their first series loss since the 5-game Division Series with Cleveland in 1997.
- ♦ When Curt Schilling and Roger Clemens hooked up in the final game, it marked the sixth time 20-game winners squared off in the seventh game, first since John Tudor (St. Louis) and Bret Saberhagen (Kansas City) in 1985.
- ♦ The 15-2 win in Game 6 alone was worth the following tidbits:
 - ...The D-backs recorded a World Series-record 22 hits.
 - ...The 15 runs tied with Toronto for third highest in a World Series game.
 - ...The 13-run margin of victory tied for second best ever matching the Yankees' 16-3 win over Pittsburgh in Game 2 of 1960 World Series, and was the second-highest ever, just behind an 18-4 Yankee win in Game 2 of the 1936 win over the Giants.
 - ...The 15-0 lead after 5 innings tied the biggest lead by any team at any time in World Series game...the Yankees had a 16-1 lead in Game 2 of the '60 series against Pittsburgh.
 - ...Arizona's 8-run third inning marked the best inning since Game 6 of 1968 series when Detroit scored 10 times in third inning of 13-1 win over St. Louis.

Bell was promoted to Director, Player Development in November 2010 after serving as Field Coordinator during the 2010 season and three seasons as a Minor League manager in the organization.

Bell posted a combined record of 131-146 (.473) as manager at Single-A Visalia from 2008-09 after making his managerial debut with short-season Yakima in 2007, when he led the Bears to a 33-43 record and finished only four games out of first place after posting an

18-16 record to close the season.

Bell was a first-round selection (30th overall) of the Texas Rangers in the 1993 First-Year Player Draft. He was selected by the D-backs in the second round of the MLB Expansion Draft in 1997 from the Angels. He reached the big leagues in 2000, when he batted .222 (6-for-27) with 2 home runs and 4 RBI in 19 games with the Cincinnati Reds. Overall, he compiled a .265 batting average with 135 homers, 684 RBI, 262 doubles and 32 triples in 1,231 games in 13 Minor League seasons (1993-2005) with the Rangers, New York Mets, Reds, Colorado Rockies, D-backs, Chicago White Sox and St. Louis Cardinals organizations.

Bell comes from a rich family history in professional baseball, which his grandfather Gus started in 1950 as a member of the Pittsburgh Pirates. His father, Buddy, also enjoyed a 19-year Major League career while his brother, David, spent 11 seasons in the big leagues with six different teams. His other brother, Ricky, was a first-round draft pick of the Los Angeles Dodgers in 1997.

Bell resides in Chandler with his wife, Kelly, and children, Luke, Mikayla and Madeline.

CARLOS GOMEZ Director, International Scouting

Carlos Gomez enters his fifth season with the Arizona Diamondbacks in 2012 as the organization's Director, International Scouting.

The Puerto Rico native's primary responsibilities include the scouting of amateur players in Latin America, Europe and Asia since joining the D-backs' organization in November 2007 as a professional scout. As a Professional Scout, Gomez filed reports on Major League players and high-level Minor Leaguers as well as taking trips to Latin America to scout international players.

Gomez played baseball while attending Purdue University from 1996-2001 and obtained a Bachelor's degree in Industrial Engineering. After graduation, the right-handed pitcher posted a 2-2 record with 3 saves and a 4.25 ERA in a combined 56 relief appearances for Independent league clubs in Illinois, Pennsylvania and New Jersey from 2002-04. He also played for Caguas in the Puerto Rican Winter League during the 2003-04 season.

After retiring as a player, Gomez wrote for The Hardball Times and Baseball Think Factory from 2006-07, where he developed a following on the Internet for breaking down the pitching mechanics of some of baseball's best pitchers.

Gomez and his wife, Amy, reside in Orlando, Fla.

MACK HAYASHI Director, Pacific Rim Operations

Makoto (Mack) Hayashi enters his fifth season with the Arizona Diamondbacks as Director, Pacific Rim Operations. Hayashi scouts players in Australia, Japan, Korea and Taiwan while also maintaining relationships with teams in professional baseball leagues in those countries.

Prior to joining the D-backs, Hayashi spent eight years working for agent Alan Nero, who had an inroad among agents for advising players from Japan. Hayashi was credited with maintaining Nero's strong client base in Japan with players such as catcher Kenji Johjima and infielder Akinori Iwamura as well as American and Latin players that played in Japan.

The Japanese-born Hayashi attended the prestigious Keio University in Tokyo. He and his wife, Eriko, reside in Aliso Viejo, Calif., with their daughters, Lily and Sakura.

Isaac focuses on the D-backs' Major League transactions and player acquisitions while assisting in the management of the 40-man roster and payroll. Isaac also supports General Manager Kevin Towers in multiple baseball operations capacities, including the supervision of the professional scouting efforts.

Isaac spent six seasons (2005-10) with the San Diego Padres, most recently as Manager, Pro Scouting.

Isaac graduated in 1998 with a degree in English from Haverford (Pa.) College, where he played baseball. He resides in Phoenix.

RAY MONTGOMERY **Director, Scouting**

Ray Montgomery enters his second season with the Arizona Diamondbacks in 2012 after joining the organization as Director, Scouting. Montgomery oversees the assignment and evaluations of all of the D-backs' amateur scouts leading up to the First-Year Player Draft each June. In 2011, Montgomery's efforts help to guide the D-backs as the first team in Major League history to have two of the first seven picks in the First-Year Player Draft, taking right-handed pitchers Trevor Bauer with the third overall pick and Archie Bradley with the seventh overall selection.

Montgomery completed his eighth season with the Milwaukee Brewers, including his second as Assistant Director of Amateur Scouting, in 2010 before joining the D-backs. He also served as the Brewers' Midwest Crosschecker from 2007-10. Montgomery joined the Brewers as an area scout for South Texas and Louisiana in December 2002. In that role, he was responsible for the scouting and signing of Brewers' second baseman Rickie Weeks in the 2003 First-Year Player Draft. Montgomery also played pivotal roles in later drafts that included the selections of Yovani Gallardo (2004), Ryan Braun (2005), Jon Lucroy (2007) and Jake Odorizzi (2008).

Montgomery enjoyed a 12-year playing career from 1990-2001, including three seasons in the Major Leagues with the Houston Astros from 1996-98. He compiled a .241 career batting average in 47 big league games as an outfielder. Montgomery also played for the Pittsburgh Pirates (1999-2000) and New York Mets' (2001) organizations after being selected by the Astros in the 13th round of the 1990 draft.

Montgomery was a first-team All-America selection at Fordham University in 1990 and was inducted into the university's Hall of Fame in 1999. He and his wife, Daniela, reside in Simsbury, Conn., with their children, Jack and Emma.

D-BACKS BROADCASTERS

DARON SUTTON

Television Play-by-Play

Daron Sutton enters his sixth season in 2012 as the Arizona Diamondbacks' primary play-by-play announcer on FOX Sports Arizona with color analyst Mark Grace.

Sutton also serves as a reporter for MLB Network, has done play-by-play on FOX Saturday Baseball broadcasts and is the voice of the annual, nationally-televised Perfect Game All-American Baseball Classic.

Sutton came to the D-backs in 2007 after five years in a similar capacity with the Milwaukee Brewers. He won a 2003 Emmy Award for Individual Excellence on Camera from the Chicago/Midwest Chapter and has been nominated for regional Emmys on four other occasions.

The son of Hall of Fame pitcher Don Sutton, Sutton spent two seasons as a radio play by play announcer for the Anaheim Angels. Prior to that, he spent two seasons calling Atlanta Braves games occasionally on FSN South. Sutton handled SEC telecasts of men's and women's basketball, swimming and diving, gymnastics, track and field and volleyball.

Sutton has been the play-by-play voice for Arizona State's men basketball games on FOX Sports Arizona for four seasons while also broadcasting games for the University of Wisconsin-Milwaukee men's basketball team for eight years.

Sutton pitched two seasons in the Angels and Braves organizations. He graduated from Auburn University-Montgomery in 1992 with a degree in communications.

Community involvement is a high priority with Sutton. He and his wife, Kristin, host the annual "Sutton Strokes for Little Folks" golf tournament in the Valley to benefit the Southwest Autism Research and Resource Center (SARRC). He also has regular involvement with Arizona Quest for Kids, Make-A-Wish Foundation of Arizona, Special Olympics Arizona and the Tempe Sports Authority Courage Awards. Sutton regularly visits local schools to speak on the importance of reading and education.

Sutton and his wife, Kristin, are the proud parents of two daughters, Abbey and Lilly.

MARK GRACE

Television Analyst

Mark Grace enters his ninth season in 2012 as the Arizona Diamondbacks color analyst on FOX Sports Arizona with play-by-play announcer Daron Sutton.

Grace served as a color analyst for select FOX Saturday Baseball broadcasts from 2007-2011 as well as a studio analyst on FOX's pregame shows at the World Series. Grace was an analyst for ESPN Radio during the 1999 and 2000 National League Division Series.

Grace made a smooth transition to the broadcast booth after retiring from a distinguished 16-year Major League playing career following the 2003 season with the D-backs. He ended his career with 2,445 hits, a .303 average, .383 on-base percentage, 511 doubles, 173 home runs and 1,146 RBI in 2,245 Major League games and never finished a season with more strikeouts than walks. He was a three-time All-Star and four-time winner of the Rawlings Gold Glove Award, anchoring first base for both the D-backs and Chicago Cubs. His 1,754 hits and 364 doubles during the 1990s decade were the most of any Major League player. Grace's 511 doubles and .990 career fielding percentage are better than any other first baseman in the National Baseball Hall of Fame.

After 13 seasons with the Cubs from 1988-2000, Grace joined the D-backs in 2001 and was an integral part of the club's World Championship team that year. His single to lead off the ninth inning of Game 7 ignited the rally that led to a 3-2 victory over the New York Yankees. He also went 6-for-16 in the 2001 National League Championship Series against Atlanta.

Grace volunteers his time in the community for noteworthy causes. Since 2009, he has held the annual Mark Grace Celebrity Golf Invitational during the offseason to raise funds for the Boys & Girls Clubs of Greater Scottsdale. Grace also was the Grand Marshal for the 2008 Fort McDowell Fiesta Bowl Parade prior to the Tostitos Fiesta Bowl between West Virginia and Oklahoma.

Grace is the father of two boys, Jackson and Preston, and resides in Paradise Valley.

Mark Grace remains part of the game experience at Chase Field as part of the "D-backs Legend Race presented by Henkel."

JOE GARAGIOLA

Television Analyst

Any baseball team would love to have a member of the broadcasters' wing of the National Baseball Hall of Fame available to pinch-hit, and the D-backs have got just that as Joe Garagiola returns for his 15th season as a color analyst on select team broadcasts on FOX Sports Arizona. For his contributions to the D-backs, the club renamed the broadcast wing of the press box at Chase Field in Garagiola's honor on Sept. 20, 2009. The broadcasting section of the press box now includes a 50-foot photo timeline of Garagiola's career and the home broadcast booth is called the "Joe Garagiola Broadcast Booth."

Garagiola signed with his hometown St. Louis Cardinals at age 16 and made his Major League debut at age 20 in 1946. A left-handed hitting catcher, he was 6-for-19 in five World Series games in 1946 as a rookie, including going 4-for-5 with 3 RBI in Game 4 against the Red Sox. Garagiola went on to bat .257 with 42 home runs and 255 RBI in 676 games during a nine-year Major League career with the Cardinals, Pittsburgh Pirates, Chicago Cubs and New York Giants.

Garagiola turned to broadcasting following his retirement as a player, calling Cardinals radio broadcasts on KMOX with Harry Caray and Jack Buck from 1955-62. In 1961, he started his nearly 30-year association with NBC and teamed with Bob Wolff, By Saam and George Kell on national baseball broadcast for the network during the 1960s.

Garagiola called New York Yankees games with Red Barber from 1965-67 and alternated play-by-play duties with Curt Gowdy on NBC from 1974-76. He teamed with analyst Tony Kubek on NBC from 1976-82 before shifting to color commentary when Vin Scully joined the network in 1983. Garagiola and Scully were NBC's No. 1 baseball broadcast team from 1983-88, calling each Saturday's "Game of the Week," three All-Star Games, three National League Championship Series and three World Series. He later had a brief stint as a color analyst for the California Angels.

Besides calling baseball broadcasts, Garagiola was a panelist on NBC's "Today" from 1967-73 and again from 1990-92. He occasionally guest-hosted the "Tonight Show Starring Johnny Carson" and hosted numerous game shows in the late 1960s and 1970s, including "He Said, She Said," "Joe Garagiola's Memory Game," "Sale of the Century," "To Tell the Truth" and "Strike It Rich." Garagiola also hosted the "Baseball World of Joe Garagiola" and the Westminster Kennel Club Dog Show.

For his numerous contributions to baseball broadcasting, Garagiola was enshrined in Cooperstown as the Ford C. Frick Award recipient in 1991. Garagiola was also inducted into the Arizona Broadcasters Association's Hall of Fame in October 2010 and received the Bud Selig Award for lifetime achievement in the game of baseball from the Professional Baseball Scouts Foundation in January 2011.

Garagiola has been extremely active in the community and was honored as the 1998 recipient of the Children's MVP Award presented by the Jim Eisenreich Foundation. He works tirelessly for the Baseball Assistance Team, and is very visible at Major League Spring Training camps, educating players on the evils of spit tobacco. Garagiola was honored in 2001 by the Arizona Chamber of Commerce for his work in the community, which includes his efforts on behalf of the St. Peter's Indian Mission in the Gila River Indian Community. Nicknamed "Awesome Fox" by the staff of St. Peter's, the baseball field at St. Peter's School is named "Awesome Fox Field" in his honor.

Garagiola is the author of several baseball books, including "Just Play Ball," with the forward written by his lifelong friend, Yogi Berra.

Garagiola and his wife, Audrey, reside in Scottsdale. His son, Joe Jr., was the D-backs' General Manager from 1995-2005 and is currently a Senior Vice President, Standards & On-Field Operations, while his other son, Steve, is a reporter and anchor for WDIV-TV in Detroit. His daughter, Gina, has worked as a reporter for KTVK-TV in Phoenix and is currently a freelance writer for numerous publications.

Garagiola celebrated with his wife, Audrey, at the dedication of the "Joe Garagiola Broadcast Wing & Booth" at Chase Field on Sept. 20, 2009.

GREG SCHULTE

Radio Play-by-Play

Name a memorable moment in the history of the Arizona Diamondbacks, and Greg Schulte has described it as it happened.

Schulte, whose voice will forever be linked with one of baseball's greatest moments as he delivered the call of Luis Gonzalez's ninth-inning single to win the Game 7 of the 2001 World Series, has been the link between D-backs' fans and their team since the club first took the field in 1998.

Like the D-backs themselves, Schulte embarks on his 15th season of calling Major League Baseball in 2012.

Schulte's passion for the game of baseball comes through in every broadcast, and has earned him praise from fans and fellow broadcasters alike. His unique home run call of "deep drive...warning track...wall...you can touch 'em all" is symbolic with D-backs' radio broadcasts.

In recognition of his 2,000th D-backs' broadcast, the organization honored Schulte by distributing a bobblehead in his likeness to the first 15,000 fans at the game on July 10, 2010 against the Florida Marlins.

A part of the Phoenix radio scene since 1979, Schulte joined the organization after spending 14 years at the D-backs' flagship radio station KTAR. Over that time, Schulte was involved with nearly every major sports entity in the market. He served for 15 seasons with the Phoenix Suns, working with Al McCoy first as a producer and as a color commentator for the last two seasons. He also served as an analyst for Arizona State football and men's basketball, and shared play-by-play duties for ASU baseball.
